Hello Parents!

Welcome to our 6th grade newsletter.

In ELA this week, we are focusing on LISTENING!

Academically, we are working on central idea and supporting details,

how to write an open response question using evidence from the text and just READING/ANALYZING the questions - students cannot answer questions if they are not sure what is being asked.

We are still in the first stages of Freak The Mighty - we are going to pick up the pace this week. We are also getting started on our online reading program. Achieve3000, Teen Biz. Once students have completed their assessments, their Reading Lexile Level will be sent home.

Mrs. Hancock - Math

[99.BHANCOCK@NHASCHOOLS.COM](mailto:99.BHANCOCK@NHASCHOOLS.COM)

WE HAVE GOTTEN OFF TO A GREAT START THIS SCHOOL YEAR. THE STUDENTS ARE GETTING IN ROUTINE AND ADJUSTING TO ALL THE TRANSITIONS. WE HAVE STARTED WORKING IN CHAPTER ONE COVERING DIVISION AND EXPONENTS. THIS COMING WEEK WE WILL BE STARTING ORDER OF OPERATION AND PRIME FACTORIZATION. NEXT WE WILL START WORKING WITH GREATEST COMMON FACTOR AND LEAST COMMON MULTIPLE. OUR CHAPTER 1 TEST WILL BE SOMETIME NEXT WEEK. I LOOK FORWARD TO A GREAT YEAR WITH THE NEW 6TH GRADERS.

Mrs. Coombs - Science & Social Studies

[99.BCOOMBS@NHASCHOOLS.COM](mailto:99.BCOOMBS@NHASCHOOLS.COM)

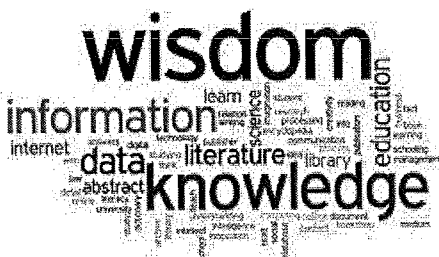

The year has started out great! We have been working on getting our science interactive notebooks set up, reviewing the scientific method and safety procedures.

In the coming week, we will continue to learn about what is needed for a planet to sustain life and starting to look at what we have learned from space exploration.

"Education is not the learning of facts, but the training of the mind to think."

~Albert Einstein~
